In completing your rendition, state law provides that you may either provide a good faith estimate of the market value of the property rendered or the historical cost of the property when new (original cost) and the year of acquisition. It is at your discretion to provide either one or both types of information. If your good faith estimate of the total value of your property is less than \$20,000 you only need to render a general description of the property and its physical location or taxable situs (Part 2 below). For properties \$20,000 and over, state law also provides that the chief appraiser may request you to provide a statement substantiating the information reported in this form indicating how the value rendered was determined. If the chief appraiser notifies you in writing, you must file the statement within 21 days of the date you receive the request.

Market Value: For business assets other than inventory, market value is the price that the assets would sell for on January 1 if held on the open market for a reasonable amount of time, both buyer and seller knew all the characteristics of the property and the limitations on its use, and neither party was in a position to take advantage of the other. For inventory, market value is the price for which the inventory would sell as a unit to a buyer who would continue the business.

PART 2. GENERAL DESCRIPTION OF BUSINESS ASSETS

1. Give location of assets if different from the location listed under "Business Location Address" near top of form:
