

## **NOTICE of AVAILABILITY of ELECTRONIC COMMUNICATIONS**

Under a new law, chief appraisers of county appraisal districts and appraisal review boards may communicate electronically through email or other methods with property owners or their designated representatives. Electronic communication for the purposes of delivering notices, applications and other documents is authorized only **if** the Chief Appraiser and property owner or designated representative agrees under that law to communication in an electronic format. At this time, the Galveston Central Appraisal District has opted **not** to use electronic communication for the purpose of receiving or delivering any notice, application, or other documents required or permitted by that section of the Property Tax Code.

This is official notification that the Galveston Central Appraisal District shall rely on all methods of delivery authorized by the Property Tax Code for any notice, application, rendition, or any other document **except for delivery by electronic format.**

GCAD may reevaluate this option in the future, if necessary. For any questions, please contact the Chief Appraiser, Tommy Watson, at 409-935-1980 or **toll free** 866-277-4725.
